Acceptable Use Policy 2017-2018

The Los Angeles Academy of Arts and Enterprise's (LAAAE) Acceptable Use Policy (AUP) is to prevent unauthorized access and other unlawful activities by users online, prevent unauthorized disclosure of or access to sensitive information, and to comply with the Children's Internet Protection Act ("CIPA"). As used in this policy, "user" includes anyone using the computers, Internet, email, chat rooms and other forms of direct electronic communications or equipment provided by the District (the "network.") regardless of the physical location of the user. The AUP applies even when LAAAE provided equipment (laptops, tablets, etc.) is used off of school property.

LAAAE will use technology protection measures to block or filter, to the extent practicable, access of visual depictions that are obscene, pornographic, and harmful to minors over the network. LAAAE reserves the right to monitor users' online activities and to access, review, copy, and store or delete any electronic communication or files and disclose them to others as it deems necessary. Users should have no expectation of privacy regarding their use of school property, network and/or Internet access or files, including email.

LAAAE will take all necessary measures to fortify the network against potential cyber security threats. This may include blocking access to school applications—including but not limited to email, data management and reporting tools, and other web applications—outside the United States and Canada.

Acceptable Uses of the LAAAE Computer Network or the Internet

Schools must verify each year students using the computer network and Internet access for that school year have a signed page acknowledging this policy. Students who are under 18 must have their parents or guardians sign this page and schools must keep it on file. Once signed that permission/acknowledgement page remains in effect until revoked by the parent, or the student loses the privilege of using the school's network due to violation of this policy. Employees and other users are required to follow this policy. Even without signature, all users must follow this policy and report any misuse of the network or Internet to a teacher, supervisor or other appropriate school personnel. Access is provided primarily for education and school business. Staff may use the Internet, for incidental personal use during duty-free time. By using the network, users have agreed to this policy. If a user is uncertain about whether a particular use is acceptable or appropriate, he or she should consult a teacher, supervisor or other appropriate LAAAE personnel.

Unacceptable Uses of the Computer Network or Internet

These are examples of inappropriate activity on the school's web site, but LAAAE reserves the right to take immediate action regarding activities (1) that create security and/or safety issues for the school, students, employees, schools, network or computer resources, or (2) that expend school resources on content the school in its sole discretion determines lacks legitimate educational content/purpose, or (3) other activities as determined by LAAAE as inappropriate.

- Violating any state or federal law or municipal ordinance, such as: Accessing or transmitting pornography of any kind, obscene depictions, harmful materials, materials that encourage others to violate the law, confidential information or copyrighted materials;
- Criminal activities that can be punished under law;
- Selling or purchasing illegal items or substances;
- The unauthorized collection of email addresses ("harvesting") of e-mail addresses from the Global Address List and other school directories;
- Obtaining and/or using anonymous email sites; spamming; spreading viruses;
- Causing harm to others or damage to their property, such as:
 1. Using profane, abusive, or impolite language; threatening, harassing, or making damaging or false statements about others or accessing, transmitting, or downloading offensive, harassing, or disparaging materials;

 3. Damaging computer equipment, files, data or the network in any way, including intentionally accessing, transmitting or downloading computer viruses or other harmful files or programs, or disrupting any computer system performance;
 4. Using any school computer to pursue "hacking," internal or external to the school, or attempting to access information protected by privacy laws; or
 5. Accessing, transmitting or downloading large files, including "chain letters" or any type of "pyramid schemes".
- Engaging in uses that jeopardize access or lead to unauthorized access into others' accounts or other computer networks, such as:
 1. Using another's account password(s) or identifier(s);
 2. Interfering with other users' ability to access their account(s); or
 3. Disclosing your own or anyone's password to others or allowing them to use your or another's account(s).
 - Using the network or Internet for Commercial purposes:
 1. Using the Internet for personal financial gain;
 2. Using the Internet for personal advertising, promotion, or financial gain; or
 3. Conducting for-profit business activities and/or engaging in non-government related fundraising or public relations activities such as solicitation for religious purposes, lobbying for personal political purposes.

Student Internet Safety

1. Students under the age of eighteen should only access LAAAE accounts outside of school if a parent or legal guardian supervises their usage at all times. The student's parent or guardian is responsible for monitoring the minor's use;
2. Students shall not reveal on the Internet personal information about themselves or other persons. For example, students should not reveal their name, home address, telephone number, or display photographs of themselves or others;
3. Students shall not meet in person anyone they have met only on the Internet; and
4. Students must abide by all laws, this Acceptable Use Policy and all LAAAE security policies.

Penalties for Improper Use

The use of LAAAE account is a privilege, not a right, and misuse will result in the restriction or cancellation of the account. Misuse may also lead to disciplinary and/or legal action for both students and employees, including suspension, expulsion, dismissal from LAAAE employment, or criminal prosecution by government authorities. LAAAE will attempt to tailor any disciplinary action to the specific issues related to each violation.

Disclaimer

LAAAE makes no guarantees about the quality of the services provided and is not responsible for any claims, losses, damages, costs, or other obligations arising from use of the network or accounts. Any additional charges a user accrues due to the use of the school's network are to be borne by the user. LAAAE also denies any responsibility for the accuracy or quality

FINANCIAL RESPONSIBILITY FOR DAMAGED SCHOOL PROPERTY

Dear Parents/Guardians:

This letter is to inform you of your legal responsibility with regard to property of Los Angeles Academy of Arts and Enterprise. California Education Code section 48904 states, in pertinent part, that the parent or guardian of any minor who willfully cuts, defaces, or otherwise injures any real or personal property of the school or its employees shall be liable for all damages caused by the minor up to \$10,000. School property includes building and grounds, as well as textbooks, computers, shop materials, and sports equipment. A parent or guardian is liable to the school for all school property loaned to a minor and not returned.

We will be discussing the meaning of this responsibility with all students. We need your help in making sure that school property is kept in good condition and that loaned items are returned to school. **Parents will be expected to pay the replacement or repair cost for any lost or damaged school property.** The school is legally authorized to withhold grades, diploma, and transcripts of student until the obligation is cleared.

The following are ways to help your student understand this responsibility:

- Model careful handling of textbooks, and other school property.
- Help students find a safe place to keep books during the borrowing period.
- Inform students that vandalism is not only a crime, but parent or guardians may be held financially responsible for the damage(s).

We look forward to a successful school year with your student.

Sincerely,

A handwritten signature in black ink that reads 'Yolanda Jiménez'. The signature is fluid and cursive.
