

LOS ANGELES ACADEMY OF ARTS AND ENTERPRISE

TITLE IX – ANNUAL REPORT – 2016/2017

Los Angeles Academy of Arts and Enterprise recognizes that the athletic program constitutes an integral component of the educational program and helps build a positive school climate. LAAAE’s athletic program is operated free from discrimination and discriminatory practices in accordance with state and federal law. The athletic program also promotes the physical, social and emotional well-being and character developing of students. Student athletes are among LAAAE’s highest achieving students.

COMPETITIVE ATHLETICS – EDUCATION CODE §221.9

Commencing with the 2016-2017 school year and every year thereafter, each public elementary and secondary school, including each charter school, that offers competitive athletics, shall publicly make available at the end of the school year all of the following information:

1. The total enrollment of the school, classified by gender.
2. The number of pupils enrolled at the school who participate in competitive athletics, classified by gender.
3. The number of boys’ and girls’ teams, classified by sport and by competition level.

Schools shall make the information identified above publicly available by posting it on the school’s website.

It should be noted that the data reported below is reported in accordance of California Education Code §221.9 and stated below. During the 2016-17 school year at LAAAE, every effort was taken to ensure that equivalent athletic opportunities were offered to both sexes. Male students did not generate enough interest in baseball or basketball to constitute a team. In accordance with the Title 34 of the Code of Federal Regulations, §106.41, male students were permitted to try out for the female softball and basketball team, but elected not to.
