A pupil fee is a fee, deposit, or other charge imposed on pupils, or a pupil's parents or guardians, in violation of state codes and constitutional provisions which require educational activities to be provided free of charge to all pupils without regard to their families' ability or willingness to pay fees or request special waivers. Educational activities are those offered by a school, school district, charter school, or county office of education that constitute a fundamental part of education, including, but not limited to, curricular and extracurricular activities.

A pupil fee includes, but is not limited to, all of the following:

1. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
2. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
3. A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

The LCAP is an important component of the Local Control Funding Formula (LCFF), the revised school finance system that overhauled how California funds its K-12 schools. Under the LCFF we are required to prepare an LCAP, which describes how we intend to meet annual goals for our pupils, with specific activities to address state and local priorities identified pursuant to Education Code Section 52060(d).

The responsibilities of Los Angeles Academy of Arts and Enterprise

We have the primary responsibility to insure compliance with applicable state and federal laws and regulations. We shall investigate complaints alleging failure to comply with applicable state and federal laws and regulations including, but not limited to, allegations about discrimination, harassment, intimidation, bullying and noncompliance with laws relating to pupil fees for participation in an educational activity and LCAP and seek to resolve those complaints in accordance with our Uniform Complaint Procedures.

We shall ensure annual dissemination of the written notice of our complaint procedures to students, employees, parents or guardians of its students, school and district advisory committees member, appropriate private school officials or representatives, and other interested parties that includes information regarding unlawful pupil fees and LCAP requirements.

An appeal is a request made in writing to a level higher than the original reviewing level by an aggrieved party requesting reconsideration or a reinvestigation of the lower adjudicating body's decision.

Our UCP Annual Notice shall also include information regarding the requirements of Education Code sections 49010 through 49013 relating to pupil fees and information regarding the requirements of Education Code section 52075 relating to the LCAP.

Our UCP Annual Notice shall be in English and in the primary language, pursuant to section 48985 of the Education Code, or mode of communication of the recipient of the notice.

An unlawful discrimination, harassment, intimidation and bullying complaint shall be filed no later than six months from the date the alleged discrimination, harassment, intimidation or bullying occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

An investigation of a discrimination, harassment, intimidation, and bullying complaint shall be conducted in a manner that protects confidentiality of the parties and maintains the integrity of the process.

Complainants are advised of the right to pursue civil law remedies under state or federal discrimination, harassment, intimidation or bullying laws. Civil law remedies, including, injunctions, restraining orders, or other remedies or orders may also be available at any time.

If we find merit in a pupil fees and/or an LCAP complaint we shall provide a remedy to all affected pupils, parents, and guardians that, in the case of pupil fees, includes reasonable efforts by us to ensure full reimbursement to all affected pupils, parents, and guardians, subject to procedures established through regulations adopted by the state board.

We submitted our UCP policies and procedures to our local governing board for approval and adoption (see the top of this document for final adoption date).

#### Filing a complaint with Los Angeles Academy of Arts and Enterprise

Except for Williams complaints regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, and complaints that allege discrimination, harassment, intimidation, and bullying, any individual, public agency or organization may file a written complaint with our district superintendent or his or her designee alleging a matter which, if true, would constitute a violation by our LEA of federal or state law or regulation governing a program. A pupil fees complaint may be filed with the principal of a school.

A pupil fees complaint and/or an LCAP complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees.

A pupil fee complaint shall be filed no later than one year from the date the alleged violation occurred.

We will attempt in good faith by engaging in reasonable efforts to identify and fully reimburse all pupils, parents and guardians who paid a pupil fee within one year prior to the filing of the complaint.

The investigation shall provide an opportunity for the complainant, or the complainant's representative, or both, to present evidence or information.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by Los Angeles Academy of Arts and Enterprise to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

Except for Williams complaints and pupil fees complaints, a UCP complaint will be investigated and a written report (also known as the Decision) issued to the complainant within 60 days from the date of the receipt of the complaint, unless the complainant agrees in writing to an extension of time.

We shall issue a Decision based on the evidence and will contain the following elements:

- (i) the findings of fact based on the evidence gathered,
- (ii) conclusion of law,
- (iii) disposition of the complaint,
- (iv) the rationale for such disposition,
- (v) corrective actions, if any are warranted,
- (vi) notice of the complainant's right to appeal our LEA Decision to the CDE, and (vii) procedures to be followed for initiating an appeal to the CDE.

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the

formal filing of a written complaint. Mediation is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.

Copies of these complaint procedures shall be available free of charge.

### **Civil Law Remedies**

A complainant may pursue available civil law remedies outside of LAAAE's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For complaints alleging unlawful discrimination, harassment, intimidation, and bullying based on state law, a complainant shall wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if LAAAE has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.
